

CARDIFF CAPITAL REGION JOINT CABINET

JOINT CABINET MEETING 20 NOVEMBER 2017

REGIONAL ECONOMIC GROWTH PARTNERSHIP

REPORT OF THE CARDIFF CAPITAL REGION PROGRAMME DIRECTOR

AGENDA ITEM: 2

Appendix 4 of this report is not for publication as it contains exempt information of a kind described in paragraphs 13, 14 and 21 of parts 4 and 5 of Schedule 12a to the Local Government Act 1972. It is viewed in the public interest to maintain the exemption so that applicants are not discouraged from applying for positions and that personal details are kept confidential.

Reason for this Report

1. To approve the appointment of the Chair of the Regional Economic Growth Partnership.
2. To establish the Regional Economic Growth Partnership Board.

Background

3. A report outlining recommendations for the establishment of the Regional Economic Growth Partnership was approved by Cabinet on 14th July. This report and its appendices are attached as Appendix 1.
4. Following this, steps were taken to advertise for the Chair based on the process approved in the 14th July report. An open advert was published on the Cardiff Capital Region City Deal website, once a similar process being undertaken for the appointment of the Chair of the Regional Business Organisation was completed. Coverage for the post was also extensive in local media. The deadline for applications for the REGP Chair closed on 20th October, 2017.

Issues

5. Applications were received from individuals for the position of Chair following the deadline stated in the advertisement of the role. A brief shortlisting exercise was undertaken, following which it was decided to interview the candidate referred to in Appendix 4 for the role of Chair.

6. An interview panel comprising Cllr Andrew Morgan, Cllr Huw Thomas, Cllr Huw David and the Chair of the Regional Business Organisation conducted an interview of the shortlisted candidate on 2nd November 2017. The interview process concluded that the candidate should be recommended to the Cabinet as the Chair of the Regional Economic Growth Partnership, following the process outlined in the report of 14th July 2017. Members are asked to approve the appointment of the candidate as the chair of the REGP, and if the appointment is approved the candidate's name will then be made public.

Next Steps – REGP Board Membership

7. Following the Chair appointment the next stage of the establishment is to appoint the Board Members for the REGP. As outlined in the previous report, the Board will consist of a Chair and between 6 and 12 members. Collectively, the Board's membership should cover the following areas:

Proposed Board Composition

Stakeholder group		Suggested number of reps on board
Private sector business	<i>Representing businesses of all sectors and sizes</i>	5
Employee bodies	<i>Representing employees in all sectors and types of company</i>	1
Local government	<i>Representatives from the Joint Cabinet</i>	2
Education and skills	<i>Representing higher and further education, skills and training</i>	2
Third sector	<i>Representing social enterprise, community development, charities and voluntary sector</i>	1

8. The final number will be dependent upon the outcomes of the appointment process, as it is suggested that the final composition will need to ensure the collective skill-set and experience of the Board covers a collective selection criteria. The REGP's business representatives may also be members of the Regional Business Organisation, but this is not required.
9. An advertisement seeking applications to the Board was published on 30th October on the Cardiff Capital Region City Deal website, with coverage for the advertisement in local and national press.
10. It is proposed that in order to accelerate the board appointment process the Chief Executive of Cardiff Council would be responsible for appointing the interview panel, in consultation with the Chair of the Cardiff Capital Region Cabinet, the Chair of the REGP and the lead member for the

REGP, and have delegated authority to conclude the appointment process for board membership.

11. The closing date for applications is currently 17th November. The date however will be extended to allow for the Chair of the REGP to play a role in the formation of the REGP Board.

Next Steps – Formal Appointment of Chair and support

12. The 14th July report proposed that the Chair should be appointed on a two-year fixed-term basis with the maximum number of terms limited to two. However, it is now proposed to extend the term to include the three financial years, 2018/19, 2019/20 and 2020/21, with the appointment commencing as soon as the terms of appointment are agreed with the proposed Chair. This is in order to provide a platform for the Chair and REGP board to provide adequate time to establish and 'bed in' the organisation, whilst also allowing suitable time to influence city-region decisions. This timescale would also align with the next gateway and subsequent gateways of the UK Government's 5 year Gateway Review process. Partial current year commencement of office if approved will also have proportionate budget allocation provided.
13. A terms of reference for the Chair is attached as Appendix 2. The terms of reference outlines how the Chair will work with the Cardiff Capital Region Cabinet and the wider City Deal governance.
14. Terms of appointment will also need to be agreed with the Chair and draft terms are set out in Appendix 3.

Resource Requirements

15. The 14th July 2017 report allocated funding of up to £30,000 per annum to support the establishment of the Regional Economic Growth Partnership, with any ongoing financial support for the REGP being considered by the Regional Cabinet when setting its Annual Budget. Additional support for the REGP will also be provided by the City Deal Programme Office. Draft terms of appointment for the Chair are included as Appendix 3.
16. These costs would cover any expenses incurred by the Chair, as well as any external support required on an as-and-when basis.
17. It is proposed this same arrangement remains in place with regard to the allocation of funding, but with an extension to 3 years in line with the proposed term of the Chair of the REGP.

Reasons for Recommendations

18. To enable the establishment of the Regional Economic Growth Partnership based on the principles outlined.
19. To conclude the recruitment process.

Financial Implications

20. There are sufficient resources within the current year's budget allocation approved for Regional Bodies to meet the part year resource

requirements, set out in the attached report. In addition, and as part of its annual budget-setting process, Regional Cabinet will need to build in the commitments that will crystallise from the approval of recommendations set out in this report in respect of the Chair's appointment for the next three (full) financial years.

21. The budget process will also need to consider the wider work programme of the Regional Economic Growth Partnership Board, to ensure an appropriate level of resources are available to support the work being taken forward, with any budget approval being a matter reserved to Regional Cabinet.

Legal Implications

22. The Joint Working Agreement dated 1st March 2017 ('JWA'), served to establish the Regional Cabinet and set out its terms of reference. The JWA provides (clause 10.19) that the Regional Cabinet shall establish, as soon as is reasonably practicable, the Regional Economic Growth Partnership ('REGP'). The JWA further provides that it is a matter for the Regional Cabinet to establish the membership, rules of procedure or terms of reference for any group it establishes and to clarify the group's respective role and scope of delegation (if any). In this case it is understood that the Regional Cabinet will not be delegating any of its functions to the REGP. The REGP will act as a consultative and advisory body to the Regional Cabinet. It is important to note that the decision to create the REGP, as a consultative and advisory body, will give rise to the legitimate expectation that the Regional Cabinet will take into consideration the views of the REGP when making decisions.
23. This report builds on a previous report on this matter submitted to Regional Cabinet of 14th July 2017 and serves to amend certain of the decisions taken on 14th July. Namely, and it is understood in order to expedite matters, that delegated authority be granted to the Chief Executive of Cardiff, in consultation with those listed, to (i) amend the terms of reference and appointment of the REGP Chair as may be required to facilitate the appointment and (ii) to carry out and conclude the appointment process for the REGP Board membership.
24. The Regional Cabinet are asked to nominate two Regional Cabinet Members to be members of the REGP Board, with such nominations being reconsidered at the first meeting of the Regional Cabinet held in each financial year or as and when required.
25. Regional Cabinet will need to be satisfied that it can meet all the costs of the REGP from its Annual Budget, and it is noted that the proposal, if approved, serves to commit budget provision for the REGP for this and the next three financial years.
26. Legal advice should be sought on the proposed terms and conditions of engagement of those appointed to the REGP Board.
27. In considering this matter regard should be given, amongst other matters, to:

- (i) The Councils' duties under the Well-being of Future Generations (Wales) Act 2015 and;
- (ii) Public sector duties under the Equalities Act 2010 (including specific Welsh public sector duties). Pursuant to these legal duties Councils must, in making decisions, have due regard to the need to (1) eliminate unlawful discrimination, (2) advance equality of opportunity and (3) foster good relations on the basis of protected characteristics. Protected characteristics are: a. Age; b. Gender reassignment; c. Sex; d. Race – including ethnic or national origin, colour or nationality; e. Disability; f. Pregnancy and maternity; g. Marriage and civil partnership; h. Sexual orientation; i. Religion or belief – including lack of belief.

RECOMMENDATIONS

It is recommended that the Cardiff Capital Region Joint Cabinet:

- a) Approves the appointment of the candidate referred to in Appendix 4 as Chair of the Regional Economic Growth Partnership.
- b) Approves the draft terms of reference for the Chair (as set out in Appendix 2 to this report) and the draft terms of appointment of the Chair (as set out in Schedule 3) and delegates authority to the Chief Executive of Cardiff Council, in consultation with the Chair of the Regional Cabinet, the lead member for the Regional Economic Growth Partnership, the City Deal Programme Director and the Accountable Body, to make such amendments to the terms of reference and terms of appointment (provided they are not material in nature) as may be required to conclude the appointment of the Chair.
- c) Delegates authority to the Chief Executive of Cardiff Council, in consultation with the Chair of the Cardiff Capital Region Cabinet, the lead member for the Regional Economic Growth Partnership, the Chair of the Regional Economic Growth Partnership and the City Deal Programme Director to:
 - (i) select the appointment panel for the REGP Board Members, as referred to in this report, and
 - (ii) carry out and conclude the appointment process of the REGP Board Members
- d) Nominates two members of the Regional Cabinet to act as REGP Board Members for the time being, with such nominations being reconsidered at the first meeting of the Regional Cabinet held in each financial year or as and when required.
- e) For this and the next three financial years, allocates funding of up to £30,000 per annum to support the establishment of the Regional Economic Growth Partnership, with ongoing financial support for the REGP being considered by the Regional Cabinet when setting its Annual Budget.

CARDIFF CAPITAL REGION JOINT CABINET

REGIONAL CABINET MEETING

REGIONAL ECONOMIC GROWTH PARTNERSHIP

REPORT OF COUNCILLOR HUW THOMAS

AGENDA ITEM: 4

Reason for this Report

1. To approve the composition of the Regional Economic Growth Partnership.
2. To delegate authority to officers to establish the Regional Economic Growth Partnership and to undertake the recruitment process.
3. To agree funding for the Regional Economic Growth Partnership.

Background

4. A report was tabled to the Shadow Cabinet on 21st October outlining a proposed approach for the development of the Regional Economic Growth Partnership (REGP). The report recommended that the Cardiff Capital Region Shadow Joint Cabinet approve that officers are instructed to develop detailed proposals for the REGP.
5. Subsequently a further discussion was held at the Shadow Cabinet meeting of the 23rd February where a proposal was outlined to appoint external support as an interim body to further establish and approve principles for the REGP based on consultation with key stakeholders in the city-region.
6. Following this approval was provided on 30th March by Chief Executives for Centre for Cities to be appointed to lead this process.

Issues

7. Following appointment, the Centre for Cities began a consultation process that included representatives of local government, Welsh Government, business, higher education, third sector groups and employee groups.
8. A proposal for the establishment of the REGP was produced and has been attached as Appendix 1.
9. The document proposes that “The Partnership will directly advise the Joint Cabinet, who should be formally obliged to consider this advice. Whether the Cabinet chooses to act or not to act in accordance with the REGP’s

guidance they should clearly and publicly state why they have chosen to do so.”

10. In summary the proposal suggests that the REGP should adopt the following roles:
 - Reviewing and commenting on the Regional Economic Strategy
 - Providing review and challenge to investment decisions
 - Providing an advocacy role
 - Promoting the uptake of external funding sources
 - Providing advice on proposed interventions
 - Acting as a named consultee for the Cardiff Capital Region Cabinet
11. The Board will consist of a Chair and between 6 and 12 members. Collectively, the Board’s membership should cover the following areas:

Proposed Board Composition

Stakeholder group		Suggested number of reps on board
Private sector business	<i>Representing businesses of all sectors and sizes</i>	5
Employee bodies	<i>Representing employees in all sectors and types of company</i>	1
Local government	<i>Representatives from the Joint Cabinet</i>	2
Education and skills	<i>Representing higher and further education, skills and training</i>	2
Third sector	<i>Representing social enterprise, community development, charities and voluntary sector</i>	1

12. The final number will be dependent upon the appointment process, as it is suggested that the final composition will need to ensure the collective skill-set and experience of the Board covers a collective selection criteria. The REGP’s business representatives may also be members of the Regional Business Organisation, but this is not required.
13. It is proposed that Chair should be appointed on a two year fixed term basis with the maximum number of terms limited to two. The time commitment is assumed to be an average of one day per week, but this will be linked with specific requirements of the REGP and may be flexible. The proposed annual cost for supporting the Chair, and other associated REGP costs, is £30,000. This is based on a review of UK LEPs, Growth

Partnerships and TFL. The remuneration of the Chair will be negotiated but will be limited by the resource allocated to the REGP.

14. The Chair will be responsible for:
 - Leading the Partnership, ensuring it fulfils its responsibilities
 - Chairing meetings of the REGP Board, collating views expressed by each stakeholder group and where necessary arriving at a consensus
 - Communicating and representing the recommendations of the Partnership to the Cardiff Capital Region Cabinet
 - Being a figurehead and champion of the city region both nationally and internationally, on behalf of the Partnership and the Joint Committee
15. The Chair will be appointed on Nolan principles, including an open advert. The process will be overseen by the Regional Cabinet and the final decision on who to appoint should be theirs. A draft Job Advert is included in Appendix 1.
16. The appointment process of the board will follow a similar process, will be conducted by officers (see recommendation B) and the REGP Chair (one appointed) and recommendation made to the Regional Cabinet, for approval, of the most suitable candidates to appoint.
17. Additional support for the REGP would also be provided by the City Deal Programme Office.
18. Further details can be seen in Appendix 1 attached.

Next Steps

19. The next steps would involve advertising the role for Chair. This process would be:
 - Regional Cabinet to approve proposed recruitment process as based on the process outlined in Appendix 1 and as further specified in the body of this report.
 - Finalise advertisement.
 - Advertise position for 2 weeks
 - Appointment Panel to meet to undertake shortlisting assessment
 - Appointment Panel to meet to undertake interviews of shortlisted candidates and to agree a preferred candidate
 - Report submitted to Regional Cabinet to approve the appointment of the preferred candidate as Chair of the REGP and to confirm the start date of 2-year fixed term of office
20. The Chief Executive in consultation with the Chair of the Regional Cabinet and the political lead for the Regional Economic Growth Partnership will agree an appointment panel (referred to in the above paragraph)

comprising of up to five Leaders within the city-region, and appropriate officials.

21. It is anticipated that this process will take approximately 6 weeks to undertake following approval.
22. A similar process will then be undertaken for the appointment of the REGP board with a report being submitted to the Regional Cabinet to approve the appointment of the proposed Board Members, identified through the appointment process. .

Reasons for Recommendations

23. To enable the establishment of the Regional Economic Growth Partnership based on the principles outlined.
24. To enable the recruitment process to begin.
25. To approve funding for the Regional Economic Growth Partnership

Financial Implications

26. The Regional Cabinet approved budget for 2017/18 includes £331,297 to fund expenditure associated with a range of Regional Bodies set-up to support the work of Joint Cabinet. Within that sum, a budget has been allocated in respect of the Economic Growth Partnership which can accommodate the up to £30,000 funding request outlined in this report. As the post is to be advertised for a fixed period of 2 years, a similar sum will need to be committed against the 2018/19 budget.

Legal Implications

27. The Joint Working Agreement dated 1st March 2017 ('JWA'), served to establish the Regional Cabinet and set out its terms of reference. The JWA provides (clause 10.19) that the Regional Cabinet shall establish, as soon as is reasonably practicable, the Regional Economic Growth Partnership ('REGP'). The JWA further provides that it is a matter for the Regional Cabinet to establish the membership, rules of procedure or terms of reference for any group it establishes and to clarify the group's respective role and scope of delegation (if any). In this case it is understood that the Regional Cabinet will not be delegating any of its functions to the REGP. The REGP will act as a consultative and advisory body to the Regional Cabinet. It is important to note that the decision to create the REGP, as a consultative and advisory body, will give rise to the legitimate expectation that the Regional Cabinet will take into consideration the views of the REGP when making decisions.
28. The Regional cabinet will need to be satisfied that it can meet all the costs of the REGP from its Annual Budget
29. Legal advice should be sort on the proposed terms and conditions of those appointed to the REGP Board.
30. In considering this matter regard should be had, amongst other matters, to:

(i) The Councils' duties under the Well –being of Future Generations (Wales) Act 2015 and;

(ii) Public sector duties under the Equalities Act 2010 (including specific Welsh public sector duties). Pursuant to these legal duties Councils must in making decisions have due regard to the need to (1) eliminate unlawful discrimination, (2) advance equality of opportunity and (3) foster good relations on the basis of protected characteristics. Protected characteristics are: a. Age; b. Gender reassignment; c. Sex; d. Race – including ethnic or national origin, colour or nationality; e. Disability; f. Pregnancy and maternity; g. Marriage and civil partnership; h. Sexual orientation; i. Religion or belief – including lack of belief.

RECOMMENDATIONS

It is recommended that the Cardiff Capital Region Joint Cabinet:

- a) Approves the proposal attached as Appendix 1 outlining the principles and composition of the Regional Economic Growth Partnership ('REGP').
- b) Delegates authority to the Chief Executive of Cardiff Council, in consultation with the City Deal Programme Director and the Accountable Body (i) to undertake the recruitment exercise for the appointment of the Chair and the Board members of the REGP and (ii) to report back to Cabinet with recommendations as to the most suitable candidates to appoint, for Cabinet's approval.
- c) Delegates authority to the Chief Executive of Cardiff Council, in consultation with the Chair of the Cardiff Capital Region Cabinet and the lead member for the Regional Economic Growth Partnership, to select the appointment panel referred to in this report
- d) For this and the next financial year, allocate funding of up to £30,000 per annum to support the establishment of the Regional Economic Growth Partnership, with on going financial support for the REGP being considered by the Regional Cabinet when setting its Annual Budget.
- e) Delegates authority to the Chief Executive to determine the remuneration package for the Chair in consultation with the Chair of the Regional Cabinet and the lead member for the Regional Economic Growth Partnership.

Appendix 1 – REGP proposal

APPENDIX 1 – REGP PROPOSAL

Cardiff Capital Region City Deal

Cardiff Capital Region Economic Growth Partnership Proposal

This document sets out the proposed approach to establishing the Regional Economic Growth Partnership (REGP), its remit and position within the Capital Region structure. The proposals are based on a series of conversations between Centre for Cities and key stakeholders across the region, including business, employee bodies, local government, education and skills and the voluntary sector. They are also based on Centre for Cities' experience working with other city regions across the UK and their body of research looking at urban economies.

There is a high level of interest in the Partnership from all stakeholders and keenness to be engaged in its establishment and represented on the Board. There is agreement for the need for an Economic Growth Partnership.

However, there is concern the REGP will become 'a talking shop' whose guidance is not seriously considered. To be credible the Partnership must be shown to be effective and beneficial to the region.

1. The role and remit of the REGP

The Partnership will directly advise the Joint Cabinet, who should be formally obliged to consider this advice. Whether the Cabinet chooses to act or not to act in accordance with the REGP's guidance, they should clearly and publicly state why they have chosen to do so.

It is important the Partnership does not have a political agenda and its membership must be diverse. The Board must be outward-looking and well-connected beyond the city region, and beyond Wales. This will enable it to bring expertise, and investment, into the region, and to draw on the experience and resources of other places.

Role description of the REGP

The REGP will be responsible for:

- Reviewing and commenting on the Regional Economic Vision and Strategy of the Cardiff Capital Region
- Providing review and challenge to City Deal Investment Fund decisions
- Providing an advocacy role, promoting the Region as a prime investor and visitor location and working with partners to increase the value and quality of inward investment
- Promoting the uptake of external funding sources across the city-region
- Providing advice on proposed interventions from other stakeholders including Welsh Government
- Supporting the co-ordination of city-region activities and alignment of overall city-region objectives
- Acting as an interface with the Capital Region Business Organisation
- Acting as a named consultee for the Cardiff Capital Region Cabinet
- Acting as an interface with other UK city deals and regional economic growth partnerships, working with these other cities to share experiences, expertise and resources
- Acting as a focal point for collating and sharing economic knowledge and intelligence in the region and co-ordinating the research needs of the Cardiff Capital Region Cabinet. The REGP will not produce research itself, but co-ordinate, collate and use research with support of the city-region's university sector.

Proposed composition of the REGP Board

The Board will consist of a Chair and between 6 and 12 members. Collectively, the Board's membership should cover the following areas:

Stakeholder group		Number of representatives on Board
Private sector business	<i>Representing businesses of all sectors and sizes</i>	5
Employee bodies	<i>Representing employees in all sectors and types of company</i>	1
Local government	<i>Representatives from the Joint Cabinet</i>	2
Education and skills	<i>Representing higher and further education, skills and training</i>	2
Third sector	<i>Representing social enterprise, community development, charities and voluntary sector</i>	1

There must be a degree of flexibility in the number of members representing each group, to ensure the collective skill-set and experience of the Board is suitable. Some members may have experience working in multiple areas and can therefore represent more than one.

The Regional Business Organisation (RBO) will advise the REGP on issues related to economic growth, drawing on their wide representation of private sector business in the region. The REGP's business representatives may also be members of the RBO, but this is not required.

2. Selecting the REGP Board

Selection process of Board members

The selection process must be open and transparent, accompanied by the selection criteria listed below. The appointment process should be overseen by the Joint Cabinet and the REGP Chair, if they have already been selected.

1. Advertise Board membership roles
 - Create an advert for the Board membership roles including the selection criteria and role description (given above)
 - Share advert publicly and openly to encourage a diverse range of applications
 - Make each stakeholder group aware of the roles available and ask each group to use their networks to promote the membership positions and encourage their preferred candidates to apply
 - Ask the Regional Business Organisation to encourage their preferred representative of private sector business to apply
2. Consideration of application process overseen by Joint Cabinet (or Joint Cabinet nominees for the process), and REGP Chair if appropriate
 - Assess each applicant against the selection criteria and role description, considering which roles they would be best suited to carry out
 - Keep in mind the collective set of skills and experience of the Board
 - Select a short list of the best applicants
 - Interview short list
3. Select most suitable candidates
 - Select a group of Board members who collectively have all the required skills and experience, and can therefore fulfil the remit of the Board

The two local government representatives will be selected separately, nominated by the Joint Cabinet.

Selection criteria of the Board membership

Collectively, the Board should have the following knowledge, skills and experience:

- Understanding of the economy and politics of the city region and Wales
- Understanding of economic growth and policy beyond the region, and beyond Wales. The membership must have an outward-looking mind-set which draws on other regions' experiences.
- A wide network of contacts across the UK and internationally
- Experience of analysing and assessing commercial, technical and financial information in order to provide quality advice to public sector decision-makers
- Experience of providing evidence-based and impartial advice on projects and initiatives, particularly in relation to their viability and impact on economy and employment issues
- Experience of working on Inward Investment strategies and campaigns and willingness and ability to participate in Regional campaigns and in the nurturing of potential investment opportunities
- An understanding of the key growth sectors for the Region as identified by the Growth and Competitiveness Commission

In addition the Board must be as diverse – socially, sectorally and geographically – as possible given the criteria set out above.

3. The Chair of the REGP

The Chair should be appointed on a two year fixed term basis with the maximum number of terms limited to two. The time commitment, whilst flexible, is assumed to be an average of 1 day a week, though the level of commitment will fluctuate across the term.

The proposed annual costs for the Chair and other REGP costs is £25,000 - £30,000. This is based on review of various remuneration packages of UK LEPS, Growth Partnerships and TFL. This will ensure the role is competitively remunerated, at a level which reflects the significance of the role.

Role description of the REGP Chair

The Chair will be responsible for:

- Leading the Partnership, ensuring it fulfils its responsibilities
- Chairing meetings of the REGP Board, collating views expressed by each stakeholder group and where necessary arriving at a consensus
- Communicating and representing the recommendations of the Partnership to the Cardiff Capital Region Cabinet
- Being a figurehead and champion of the city region both nationally and internationally, on behalf of the Partnership and the Joint Committee

If the Chair is selected prior to the Board then the role will also include selecting the REGP Board and ensuring it has the appropriate skills and experience to fulfil its remit.

Selection process for the Chair

This selection process must also be open and transparent, based on the role description (above) and selection criteria (below). The process should be overseen by the Joint Cabinet and the final decision on who to appoint should be theirs.

Similarly to the Board selection process, stakeholders will be invited to encourage their preferred candidates to apply for the role. But to ensure the process is fair, and accessible to a diverse range of applicants, it must be open.

Selection criteria of the Chair

The Chair should have the following skills and attributes:

- An understanding of economic growth, and related policies, both in and beyond the region, and beyond Wales
- Ability to think strategically
- Politically astute, and able to make sense of the full context in which the REGP operates
- High level listening skills, ensuring that all internal and external stakeholders have their say and feel their views have been considered
- Ability to represent a range of viewpoints and to build a consensus
- Ability to access, build and maintain strong and effective networks and working relationships across sectors, at senior leadership level
- Strong communication and presentation skills
- Excellent advocacy skills

The Chair should have the following background and experience:

- Be a current member of the private sector business community
- Experience of working in, or with the private, public and civic sectors
- Experience of chairing organisations comprising senior stakeholders of differing views
- Extensive senior leadership experience
- Have a wide network of public, private and government contacts which extends the region and beyond Wales
- Experience of representing an organisation at a local and national level, including dealing with media attention

4. Resources

The Partnership's resources will be derived from the City Deal. It is vital the REGP is adequately resourced, at a level which matches the remit given to the Board and Chair. Otherwise expectations will not be met and the Partnership will lose credibility.

The proposed resources for the Partnership are the following:

- £25,000 - £30,000 costs for the Chair and other REGP costs, as stated above.
- Administrative support for the Partnership and executive assistance to the Chair. This will be provided by the support officer in the Programme Management Office.
- Advisory support to enable the Chair, and REGP, to progress their agenda. Options for the provision of this advice need to be further explored. One possibility is for this support to come from one, or multiple, universities on a pro bono or matched funding basis.
- A broader support network providing strategic, research, policy and media (etc.) support to the Chair and Partnership. This will be provided by the Programme Office, once fully established.

Following the decision of the Cardiff Capital Regional Cabinet we have decided to offer you the role of Chair of the Regional Economic Growth Partnership.

As you are aware, the Regional Economic Growth Partnership is a body that has been set up to provide an opportunity for economic stakeholders in Cardiff Capital Region to come together to inform investment decisions of the Cardiff Capital Region Cabinet. By accepting this appointment, you agree that this is a voluntary consultative role and this is not a contract for services and is not a contract of employment.
