**2021/22 MONTH 07 JOINT COMMITTEE REVENUE BUDGET
MONITORING POSITION**

**REPORT OF ACCOUNTABLE BODY – SECTION 151 OFFICER,
CARDIFF CAPITAL REGION CITY DEAL**

AGENDA ITEM 5

Reason for this Report

1. To provide the Cardiff Capital Region Joint Committee (Regional Cabinet) with details of actual expenditure, income, and the projected full year outturn position as at the 31 October 2021 (Month 07), against its approved 2021/22 Joint Committee Revenue Budget.

Background

2. At its meeting of the 15 March 2021, Regional Cabinet approved its 2021/22 Joint Committee Revenue Budget. The budget supports the City Deal Office (CDO) and the Accountable Body (AB) support arrangements for the work of the Regional Cabinet.
3. The budget is funded from Local Authority Revenue Contributions and the Wider Investment Fund 'Top-Slice'.
4. Subject to the Final Audited Accounts, General Reserves of £212,080 carried forward from previous years' underspends are also available to fund expenditure incurred in 2021/22. It is not currently anticipated that a drawdown will be required.

Issues

5. At Month 07, actual expenditure incurred and committed amount to £700,549 representing just over 31% of the annual budget. The projected outturn position indicated that the budget will be underspent by £488,129 at year end. Table 1 summarises the position at Month 07 and a narrative summary is outlined below.

Employee Related Budgets: (£486,698)

6. The Employee Related budget of £1,568,736, is based on an establishment of 28 FTEs with various anticipated start dates. This is in progress with some posts still to be filled and other posts remaining vacant. The outturn projection above reflects the level of resources expected to be in place by year end, along with a contingency sum of £70,000 to allow the Director of the City Deal the flexibility to react to short-term resourcing requirements. Since the previous report, further savings of £156,798 have come to fruition due to the approval by Welsh Government to fund a percentage of key officer's time to their grant funding in relation to Corporate Joint Committee implementation.

Premises Costs

7. A balanced position is currently forecast for premises costs.

Transport Related Expenditure: (£15,100)

8. As a result of the impact of the pandemic and the ongoing restrictions, there will be a reduction in transport costs with minimal travel to and from meetings and events curtailed and the majority of meetings held virtually.

Supplies & Services: £13,881

9. Whilst most budget heads are shown as on target, overspends of £6,500 on ICT equipment for new starters, £8,883 for ongoing Public Relations & Media work and £5,248 for Welsh Translation Costs are forecast, reflecting the level of ongoing activity. These variances are partly offset by a saving of £6,750 against the Training & Development budget.

External Support: (£181)

10. This section includes an annual allocation of £30,000 towards the next 5 Year Gateway Review which will be carried forward as an Earmarked Reserve to be drawn down against future costs. All other budgets are projected to be fully spent at year end except for a small saving against the Audit Wales Performance Audit cost.

Support Services (Accountable Body Support): (£31)

11. It is anticipated that HR support costs will be £7,130 above the approved budget due to role evaluation and recruitment costs incurred in appointing senior roles to the structure during the first quarter of the financial year.
12. The level of Internal Audit support has been increased as a reflection of increased activity and will result in an overspend against this budget of £2,000.
13. ICT costs will below budget by £4,161 as a result of delayed recruitment.
14. The External Audit Fee budget will incur an overspend of £12,000. It had been anticipated that costs would reduce from those charged in the earlier years of the City Deal, but this has not been the case.

15. An amount of £17,000 has been decommitted from the contingency budget to mitigate the net effect of the above.

Month 07 Summary

16. Forecast expenditure for 2021/22 is projected to underspend the total funding sources approved by Regional Cabinet by £488,129.
17. Any underspend will be used to reduce the amount required to be drawn down from the Wider Investment Fund Top-Slice or be utilised to support match funding and development costs of the Corporate Joint Committee, where eligible and approved to do so.
18. The budget will continue to be monitored and reviewed through the rest of the financial year and reported back to Regional Cabinet at appropriate intervals.
19. It is anticipated that invoices will be raised to each of the 10 Partner Authorities in Quarter 4 of 2021/22 for their contributions to this Budget.

Reasons for Recommendations

20. To provide Regional Cabinet with an update of the monitoring position against its approved 2020/21 Joint Committee Revenue Budget, as at 31 October 2021 (Month 07).

Financial Implications

21. As stated in the main body of the report, there is an underspend projected for year-end against both the City Deal Officer and the Accountable Body budgets. Future reports to Regional Cabinet will provide updates on the proposed expenditure and provide the opportunity to approve any plans for the reallocation of any budget not being used for its original purpose.
22. As a result of the projected underspends further consideration will need to be given to the Wider Investment Fund (WIF) 'Top Slice' contribution to the Joint Committee Revenue Budget and the General Reserve held.

Legal Implications

23. This is a revenue budget monitoring report for noting and based on the information contained in this report, does not raise any direct legal issues.

Well-being of Future Generations Act 2015 (Wales)

24. In developing the Plan and in considering its endorsement regard should be had, amongst other matters, to:
 - a) the Welsh Language (Wales) Measure 2011 and the Welsh Language Standards;

- b) public sector duties under the Equalities Act 2010 (including specific Welsh public sector duties). Pursuant to these legal duties Councils must in making decisions have due regard to the need to (1) eliminate unlawful discrimination, (2) advance equality of opportunity and (3) foster good relations on the basis of protected characteristics. Protected characteristics are: a. age; b. gender reassignment; c. sex; d. race – including ethnic or national origin, colour or nationality; e. disability; f. pregnancy and maternity; g. marriage and civil partnership; h. sexual orientation; i. religion or belief – including lack of belief, and;
- c) the Well-being of Future Generations (Wales) Act 2015. The Well-being of Future Generations (Wales) Act 2015 ('the Act') is about improving the social, economic, environmental and cultural well-being of Wales. The Act places a 'well-being duty' on public bodies aimed at achieving 7 national well-being goals for Wales - a Wales that is prosperous, resilient, healthier, more equal, has cohesive communities, a vibrant culture and thriving Welsh language and is globally responsible. In discharging their respective duties under the Act, each public body listed in the Act (which includes the Councils comprising the CCRC) must set and published wellbeing objectives. These objectives will show how each public body will work to achieve the vision for Wales set out in the national wellbeing goals. When exercising its functions, the Regional Cabinet should consider how the proposed decision will contribute towards meeting the wellbeing objectives set by each Council and in so doing achieve the national wellbeing goals. The wellbeing duty also requires the Councils to act in accordance with a 'sustainable development principle'. This principle requires the Councils to act in a way which seeks to ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.

Put simply, this means that Regional Cabinet must take account of the impact of their decisions on people living their lives in Wales in the future. In doing so, Regional Cabinet must:

- look to the long term;
- focus on prevention by understanding the root causes of problems;
- deliver an integrated approach to achieving the 7 national well-being goals;
- work in collaboration with others to find shared sustainable solutions;
- involve people from all sections of the community in the decisions which affect them.

25. Regional Cabinet must be satisfied that the proposed decision accords with the principles above. To assist Regional Cabinet to consider the duties under the Act in respect of the decision sought, an assessment has been undertaken, which is attached at Appendix 1.

Equality Act 2010

26. In considering this matter, regard should be had, amongst other matters, to the Councils' duties under the Equality Act 2010. Pursuant to these legal duties the Regional Cabinet must in making decisions have due regard to the need to (1) eliminate unlawful discrimination (2) advance equality of opportunity and (3)

foster good relations on the basis of protected characteristics. Protected characteristics are:

- age;
- gender reassignment;
- sex;
- race – including ethnic or national origin, colour or nationality;
- disability;
- pregnancy and maternity;
- marriage and civil partnership;
- sexual orientation;
- religion or belief – including lack of belief.

RECOMMENDATION

27. It is recommended that Cardiff Capital Region Regional Cabinet:

- (1) notes the actual expenditure, income and projected full year out-turn position as at the 31 October 2021 (Month 07), against its approved 2021/22 Revenue Budget.
