## **SOUTH EAST WALES CJC – STATUTORY SUB-COMMITTEES UPDATE**

### **REPORT OF THE INTERIM MONITORING OFFICER**

#### **AGENDA ITEM: 5**

---

##### **Reasons for Report**

1. To update members on progress made following the decisions of the CJC made at its meeting in March 2023.
2. To obtain the relevant authority and decisions from the CJC to make further progress in establishing and constituting the statutory sub-committees.

##### **Background**

###### Standards Sub-Committee

3. Members are referred to the report considered at the meeting of the CJC in March 2023, which outlines the legislative framework for the establishment of the statutory standards sub-committee of the CJC.
4. At that meeting, the CJC resolved to:
  - a) utilise Cardiff Council's Standards & Ethics Committee to carry out the functions of the Standards Sub-Committee for the South East Wales Corporate Joint Committee; and
  - b) authorised the Interim Chief Executive to instruct officers of the CJC to make arrangements with officers at Cardiff Council to obtain the required approval and consent of the relevant officers and members to implement the proposal.
5. Cardiff's Standards and Ethics Committee met on 9<sup>th</sup> May 2023 and agreed, in principle, to carry out the functions of the Standard's Sub-Committee of the CJC, subject to a Service Level Agreement being concluded between Cardiff Council and the CJC on suitable terms, including specifically, to provide that any additional costs and liabilities incurred by Cardiff Council under the arrangement are to be paid for by the SEWCJC, and with provision for review after 12 months and termination of the arrangements. This decision was due to be approved by a meeting of Cardiff Council on 20<sup>th</sup> July 2023. However, due to a technical issue, the Council meeting was adjourned before all items of business were dealt with. Therefore, if the CJC approves this approach, the matter will be confirmed by

Cardiff Council at its next meeting in September, at which point the Standards & Ethics Committee of Cardiff Council will be the CJC's statutory standards sub-committee.

6. The CJC is required to adopt its own Code of Conduct, to ensure that the standards framework is in place for the statutory sub-committee to exercise its functions. The CJC approved a Member's Code of Conduct as part of the wider approval of its first set of standing orders, at its inaugural meeting in January 2022. An updated Member Code of Conduct based on the Model Code of Conduct, is at Appendix 1 of this report for members to consider and approve.
7. Paragraph 17 of this Code of Conduct sets out a requirement for members to notify the Monitoring Officer of gifts and hospitality above a value specified in a resolution of the CJC. Given that the statutory standards sub-committee function is being provided by Cardiff's Standards & Ethics Committee, it is proposed that the value specified should be the same as apply to members of Cardiff Council, namely £25.00.

#### Governance & Audit Committee

8. At its meeting on 27 March 2023, the CJC noted the statutory requirement to establish a Governance and Audit Sub-Committee, approved its terms of reference and authorised the Interim Chief Executive to make arrangements to establish the Governance and Audit Sub-Committee and to constitute its membership.
9. Steps now need to be taken to recruit elected and lay members of this sub-committee.
10. In accordance with the approved terms of reference, the Governance and Audit Sub-Committee is required to have twelve members. Eight of these must be a member of a constituent authority (but may not be a Leader or Executive member of an authority) and four must be lay persons.
11. A lay person is defined (section 87 of the 2011 Measure as amended) as one who:
  - (a) is not a member or an officer of a local authority;
  - (b) has not at any time in the period of twelve months ending with the date of that person's appointment been a member or an officer of any local authority; and
  - (c) is not the spouse or civil partner of a member or an officer of any local authority.
12. In respect of recruitment of the elected members, the CJC has delegated authority to the Interim Chief Executive. In respect of the recruitment of elected members, the Interim Chief Executive will invite expressions of interest from non-executive members of the constituent authorities.

13. Lay members will be with a public advert of vacancies. The Interim Chief Executive will establish an appointments panel to consider all applications received; and make recommendations to the CJC at a future meeting in relation to which applicants the CJC should consider appointing.
14. The IPRW is supposed to determine the remuneration of members appointed to the Governance and Audit Sub-Committee. However, as yet, it has not done so. However, the statutory guidance for CJsCs states that it is not anticipated that members of CJsCs or their sub-committees who are already elected members of constituent authorities will receive an additional payment in respect of their role on the CJC. However, members are entitled to payment of a contribution to costs of care, travel and subsistence incurred in carrying out their CJC duties.
15. Lay members of the Governance and Audit Sub-Committee are entitled to the payments set by the IPRW in respect of co-opted members to Governance and Audit committees; namely:
  - a) Chair: £134 for up to 4 hours and £268 for 4 hours and over;
  - b) other Members: £105 for up to 4 hours and £210 for 4 hours and over.

### **Reason for Recommendations**

16. To obtain the relevant authority and decisions to progress the establishment and constitution of the statutory sub-committees.

### **Financial Implications**

17. As outlined above, this report provides an update on CJC sub-committees matters that were reported back in March 2023. Therefore, there are no direct financial implications arising from this report, but a further report will be brought back to the CJC for consideration. This report will fully set out the proposed arrangements in respect of both sub-committees, along with details of the part-year costs applicable to the 2023/24 financial year, the full year costs due in future years, as well as the proposed funding arrangements.
18. The CJC's 2023/24 approved budget includes a sum of £8,000 to cover 'Governance & Sub-Committee expenditure'. In addition, the budget includes a contingency sum of £30,000 to support the CJC activities during year, as deemed appropriate.

### **Legal Implications**

19. The legal implications are set out within the body of this report.

### **Well-being of Future Generations (Wales) Act 2015**

20. In developing these proposals and in considering its endorsement regard should be had, amongst other matters, to:

- a) the Welsh Language (Wales) Measure 2011 and the Welsh Language Standards;
- b) public sector duties under the Equalities Act 2010 (including specific Welsh public sector duties). Pursuant to these legal duties Councils must in making decisions have due regard to the need to (1) eliminate unlawful discrimination, (2) advance equality of opportunity and (3) foster good relations on the basis of protected characteristics. Protected characteristics are: a. age; b. gender reassignment; c. sex; d. race – including ethnic or national origin, colour or nationality; e. disability; f. pregnancy and maternity; g. marriage and civil partnership; h. sexual orientation; i. religion or belief – including lack of belief, and;
- c) the Well-being of Future Generations (Wales) Act 2015. The Well-being of Future Generations (Wales) Act 2015 ('the Act') is about improving the social, economic, environmental and cultural well-being of Wales. The Act places a 'well-being duty' on public bodies aimed at achieving 7 national well-being goals for Wales - a Wales that is prosperous, resilient, healthier, more equal, has cohesive communities, a vibrant culture and thriving Welsh language and is globally responsible. In discharging their respective duties under the Act, each public body listed in the Act (which includes the Councils comprising the CJC) must set and publish wellbeing objectives. These objectives will show how each public body will work to achieve the vision for Wales set out in the national wellbeing goals. When exercising its functions, the CJC Board should consider how the proposed decision will contribute towards meeting the wellbeing objectives set by each Council and in so doing achieve the national wellbeing goals. The wellbeing duty also requires the Councils to act in accordance with a 'sustainable development principle'. This principle requires the Councils to act in a way which seeks to ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.

Put simply, this means that CJC Board must take account of the impact of their decisions on people living their lives in Wales in the future. In doing so, they must:

- look to the long term;
- focus on prevention by understanding the root causes of problems;
- deliver an integrated approach to achieving the 7 national well-being goals;
- work in collaboration with others to find shared sustainable solutions;
- involve people from all sections of the community in the decisions which affect them.

21. CJC Board must be satisfied that the proposed decision accords with the principles above. To assist CJC Board to consider the duties under the Act in respect of the decision sought, an assessment has been undertaken, which is attached at Appendix 2.

## **Equality Act 2010**

22. In considering this matter, regard should be had, amongst other matters, to the Councils' duties under the Equality Act 2010. Pursuant to these legal duties the CJC Board must in making decisions have due regard to the need to (1) eliminate unlawful discrimination (2) advance equality of opportunity and (3) foster good relations on the basis of protected characteristics. Protected characteristics are:

- age;
- gender reassignment;
- sex;
- race – including ethnic or national origin, colour or nationality;
- disability.
- pregnancy and maternity;
- marriage and civil partnership;
- sexual orientation;
- religion or belief – including lack of belief.

## **RECOMMENDATIONS**

23. It is recommended that the CJC:

- (1) notes the progress made towards establishing the statutory sub-committees;
- (2) delegates the statutory functions of the statutory Standards Sub-Committee of the CJC to Cardiff Council's Standards & Ethics Committee and authorises the Interim Chief Executive to conclude a Service Level Agreement with Cardiff Council setting out the terms of the interim arrangements as set out in paragraph 5 of the report;
- (3) endorses the proposed method of recruitment of elected and lay members of the Governance & Audit Sub-Committee;
- (4) notes the remuneration payable to lay members of the Governance & Audit Committee;
- (5) approves and adopts the CJC Member Code of Conduct at Appendix 1.

Sustainable Development Principle	Does your proposal demonstrate you have met this principle? If yes, describe how. If not explain why.	Are there any additional actions to be taken to mitigate any negative impacts or better contribute to positive impacts?
 <p>Balancing short term need with long term and planning for the future</p>	<p>The CJC is a long-term construct and requires thinking ahead, however in the short-term a 'bare minimum' model is being put in place.</p> <p>The setting up of the Standards and Ethics Sub Committee and the Audit and Governance Sub Committee shows that the CJC is developing its capacity and capability for the long term</p>	<p>The Standards and Ethics Committee is proposing a short-term solution of utilizing an existing committee from one of the constituent authorities, therefore a longer-term solution will be required to be developed.</p>
 <p>Working together with other partners to deliver objectives</p>	<p>The principles of the governance structure, its partnership approach and the building of new institutional capacity are all at the heart of the CJC.</p> <p>These are the principles under which the proposal has been put forward.</p>	<p>Not at this time but may change over the longer term.</p>
 <p>Involving those with an interest and seeking their views</p>	<p>The approach here will be backed by a wider corporate plan which will be consulted upon during its development</p>	<p>The production and consultation on the wider corporate plan will be an important step in the CJC's development and a robust consultation approach will be important in getting a wider view of how well it is managing that development.</p>
 <p>Putting resources into preventing problems occurring or getting worse</p>	<p>The two sub committees being established by this proposal will be at the heart of the CJC operation and have statutory duties to help the CJC improve.</p>	<p>As the committees mature, they will provide essential input into the CJC, including lessons learned activities that will support this objective even further.</p>
 <p>Considering impact on all wellbeing goals together and on other bodies</p>	<p>The proposals will help the CJC be a robust, well governed regional organisation and support the delivering of the Regional Economic and Industrial Plan and with that the CJC's wellbeing objectives.</p>	<p>Continuing to develop the partnership approach taken to date will be critical to closer align wellbeing objectives across the region to the wellbeing goals.</p>
